

## Holiday Style & Fashion Gifts 2016 - Style and Fashion Gifts For the Holidays

Live In Tune In A Fast Paced World.

live in tune with Philip Stein

**Description:** Philip Stein embeds Natural Frequency Technology into its fine iconic pieces to help improve sleep, reduce stress and enhance overall wellbeing. A subtle, yet effective, metal disc is incorporated into the stylish designs of each Philip Stein piece. This disc contains key frequencies that benefit quality of life. When worn, natural energy interacts with these frequencies making it larger and more powerful, allowing them to deliver its healing benefits. More than just timepieces, the collection also includes a series of [bracelets](#) that are designed to promote wellness both night and day. The Philip Stein Sleep [Bracelet](#) is a comfortable, easy to wear, nighttime accessory that helps wearers sleep better and wake up more refreshed. For a daytime look, each [bracelet](#) is calibrated to bring balance, focus and wellbeing. Each Philip Stein piece is the perfect marriage of luxurious design and incredible technology. A clear example that responsible luxury is luxury with a purpose.

**Price:** \$225.00 to \$2,550.00
